In addition to his in-store responsibilities, he also took on area manager duties, developing training videos and coursework to standardize employee onboarding and improve operational efficiency across multiple locations.

Significant Projects

Berkshire Hathaway Re-Design

Zach collaborated with a team to redesign the Berkshire Hathaway website, focusing on enhancing user experience and modernizing the overall interface. The project involved creating a series of wireframes that streamlined navigation, improved content organization, and incorporated new features like appointment scheduling, shareholder info, and news updates. The final product delivered a more intuitive and user-friendly design.

Extracurricular Activities

Major Related Organizations?

Did you ever do any organizations/clubs related to ETI in IST? If so, lead your extracurricular section with these.

Penn State Table Tennis Club

As president, Zach took on the challenge of rebuilding the club from the ground up. He spearheaded efforts to recruit new members, secure resources, and revitalize the club's activities. Under his leadership, the club grew in membership and engagement, providing a space for students to practice, compete, and build a community around table tennis at Penn State.
